

# **Wizard**

## **by Esther Albone**

**“Wizard was the inaugural winner of the 2000 Guineas and the theme came simply from the name. It’s not a homage to Merlin or Harry Potter; I’ve tried to produce a bold and bright design to attract the public to view it at close quarters, and draw in kids as well as adults.”**

## **Sea The Stars by Stuart Roy**

**“I was inspired by the wide starry skies I have seen since coming to East Anglia, and I wanted to capture the contrast between the land and the deep darkness of space. This style of painting was completely different from what I normally do; the horse controlled the process and I found that I was freer in the painting of it, as I am usually very precise in my technique.”**

**Stuart Roy grew up near Leicester and moved to East Anglia 2 years ago.**
